Personal Training Prices**

***Single/Weekly Prices***

The prices are as follows: \$35 for 45 min per client per session. However, if the client signs up for three sessions in a week then a \$15 discount is given off the total weekly price. If the client signs up for four sessions in a week then a \$20 discount is given off the total weekly price. Payments are due for the week prior to the session beginning. No refunds are given. Opportunities are available to reschedule sessions that are missed. Client has thirty days from the date of the missed session to reschedule and complete any missed sessions.

***Family Prices/Same Household***

First client of the household is \$35 for 45 min and the second client of the same household is \$17 for 45 min. Sessions must be completed at the same time for the above rates to incur. If there is a third client for the same household it would be \$35 for 45 min and the fourth would be \$17 for 45 min occurring at the same time. All payments are due in full prior to session beginning. No refunds are given. Opportunities are available for sessions to be rescheduled if a session is missed. Client has thirty days from the date of the missed session to reschedule and complete missed session.

***Monthly Package Prices***

If a single client signs up for a monthly package doing at least two sessions per week (total of eight sessions in a month) then a \$25 discount is given off total monthly price. The more sessions done per week the bigger the discount. All payments are due in full prior to session beginning. (Meaning payment for the entire month) No refunds are given. Opportunities are available for the sessions to be rescheduled If missed. Client has thirty days from the date of the missed session to reschedule and complete the missed session.
